

French café menu

You will use the vocabulary learned in the topic, French food – Miam, miam! to create a list of items for a French menu. A minimum of 15 items is required. You will have to price the items in euro (€) on your menu.

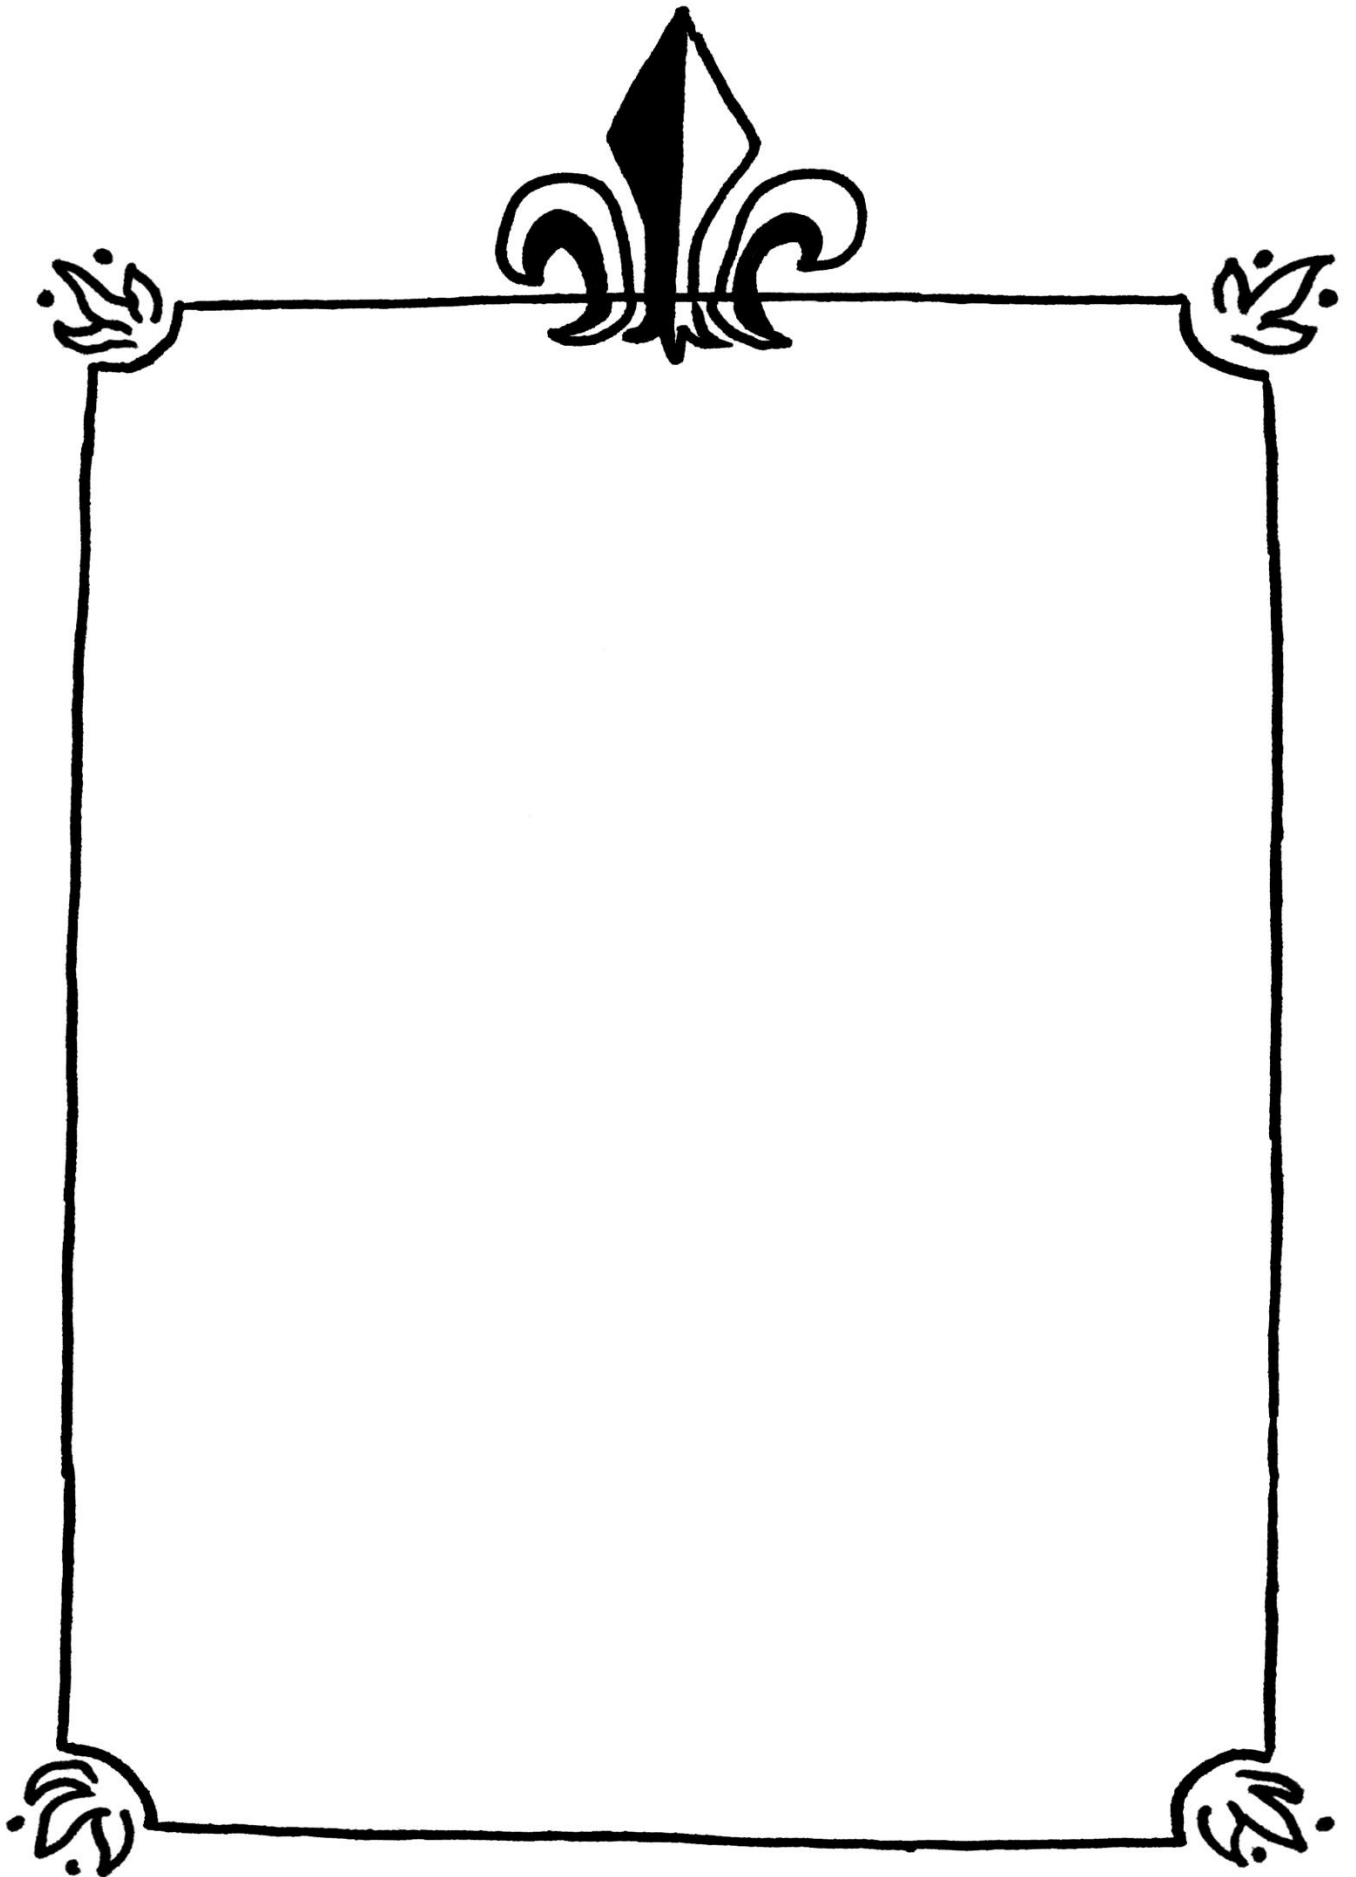

You will organise your food and drink choices into categories, using the vocabulary learned in class. Possible categories include: les entrées (starters), les plats principaux (main meals), les boissons (drinks) ; les desserts (desserts).

Resources:
