Added to Computing in 2021

- ★ Units of lessons for schools using Microsoft devices/software. See an example unit [here](#).
- ★ [Vocabulary progression document](#) showing the progression of vocabulary in the Kapow Primary Computing scheme of work year by year.
- ★ **Long term plans** which include: how the Computing scheme fulfils the National curriculum requirements for KS1 and KS2; an overview of the units and guidance on the order of teaching.
 - [Long-term plan: Standard](#)
 - [Long-term condensed plan: Condensed \(20-week plan\)](#)
 - [Long-term plan: Mixed-age](#)
- ★ Refreshed Computing [Subject leader toolkit](#) and [Deep dive toolkit](#).
- ★ [Education for a connected world framework](#) showing how Kapow Primary's Computing and RSE & PSHE schemes address these objectives.
- ★ [Webinar recordings](#) with our subject specialists, providing further CPD to complement the Kapow Primary Computing scheme of work.
- ★ [Three I's statement](#) outlining the intent and rationale behind Kapow Primary's Computing scheme and guidance on implementation and measuring pupil progress.
- ★ [How to implement Kapow Primary Computing](#) in the first year of using the scheme in your school.
- ★ Computing pupil voice templates for [EYFS](#), [KS1](#) and [KS2](#).
- ★ [Acceptable use policy for pupils](#).

Coming to Computing in 2022

- ★ A revised and refreshed scheme of work for years 1-6.

The refresh will include:

- Skills and knowledge 'recap and recall' questions as an introduction to each lesson.
- Streamlined lessons to fit more easily into a crowded timetable whilst maintaining full curriculum coverage.
- Refreshed lesson presentation design to improve pupil experience and readability.
- Key prior skills and knowledge statements linked to previous Kapow Primary units.
