KS2 Quiz

Unit title: What was the impact of WW2 on people's lives?

1 Which treaty ended World War 1?

- A The Treaty of London.
- B The Treaty of Versailles.
- C The Treaty of Rome.
- D The Treaty of Athens.

2 How was Germany punished after World War 1?

- A It had to pay a lot of money as a fine for causing the war.
- B The Allies took over Germany and controlled it.
- C It lost land, paid fines, and could not have an army or navy.
- D It was split into two parts and ruled by France and Britain.

3 Why did the Germans want air supremacy over Britain in July 1940?

- A So that the British would be forced into negotiating a peace settlement.
- B So that they could invade Britain and begin Operation Sea Lion.
- C To stop the British from bombing Germany.
- D To make sure that their air force would go down in history as the best.

4 Why did the Germans bomb British cities?

- A They were trying to get air supremacy over Britain.
- B It was accidental—they could not see the real targets because of the fog.
- C They wanted to create as much damage as possible.
- D To reduce people's morale and force Britain into agreeing to a peace settlement.

5 Which groups of people were evacuated away from cities?

- A Children under five with their mothers and people over 65.
- B School-age children, all mothers and men over 45.
- C School-age children, mothers with young children, people with disabilities, pregnant women.
- D Men over the age of 18.

KS2 Quiz

Unit title: What was the impact of WW2 on people's lives?

6 Why were people evacuated from the cities?

- A It was too noisy for them in the cities.
- B They were evacuated to places which were less dangerous, where they would be safer.
- C There was more food available to feed them in the countryside.
- D The countryside was quiet and looked attractive.

7 Why did the British government produce posters about leaving children in the countryside?

- A So mothers could continue to work.
- B It was propaganda to persuade mothers their children would be safer in the countryside.
- C It was because there were more places for children to stay in the countryside.
- D The government felt the countryside was a nicer place to live.

8 Why did women need to work during WW2?

- A Men were away fighting so women had to do their jobs.
- B A law was passed forcing all women over 18 to work.
- C Women needed something to do with their time.
- D Because of food rationing, families needed more money to buy food.

9 How did WW2 change women's lives?

- A After the war, women were immediately allowed to do all the jobs men could do.
- B Women proved they could do the same jobs as men and look after homes and children.
- C Women became wealthier as they had jobs.
- D Women's health declined as they had been working.
