

Knowledge catcher: French music celebrations

Use the image below to help you answer the following questions.

1

Imagine you are watching a music concert. How many instruments can you name in French that you might see or hear?

2

In French, write which types of music you like and do not like. Can you explain why?

3

Think of a famous music artist, real or imagined. Write about them in French, including their name, which type of music they play, which instruments they play and where they are from.
