KS2 Quiz

Unit title: Drawing - Expressing ideas through art

1 A 'mural' is...

- A** ...a small painting on paper.
- B** ...a painting made directly on a wall or other permanent structure.
- C** ...a type of graffiti using only words.

2 What is the main purpose of one point perspective in art?

- A** To create the illusion of depth, making objects appear smaller as they move further away.
- B** To make objects look bigger than they really are.
- C** To add more colour to an artwork.

3 What is graffiti?

- A** Spray-painted words and images that appear on property without permission.
- B** A type of legal street art done in art galleries.
- C** A way of drawing with only black and white colours.

4 What does the vanishing point do in one point perspective?

- A** It makes objects appear 3D.
- B** It is where all perspective lines meet to create depth.
- C** It separates the sky from the ground.

5 What does 'scale' mean in art?

- A** The amount of colours used in a painting.
- B** The number of shapes in a composition.
- C** The size of an object or figure in relation to another object or the overall artwork.

6 What is the horizon line in a drawing?

- A** The bottom edge of the paper.
- B** A type of street art technique.
- C** The line that separates the sky from the ground and helps create perspective.

KS2 Quiz

Unit title:

7 Why do street artists use large scale designs?

A To make their art easy to see from far away.

B Because they don't like small details.

C To make their work harder to paint.

8 How can a mural or street art be used to send a message to the public?
