

Building block challenge

Task: recreate the model of the house.

- What section will you start with and why?
- How do the sections connect to form the whole model?
- Do you notice any repeating patterns that help you rebuild it?

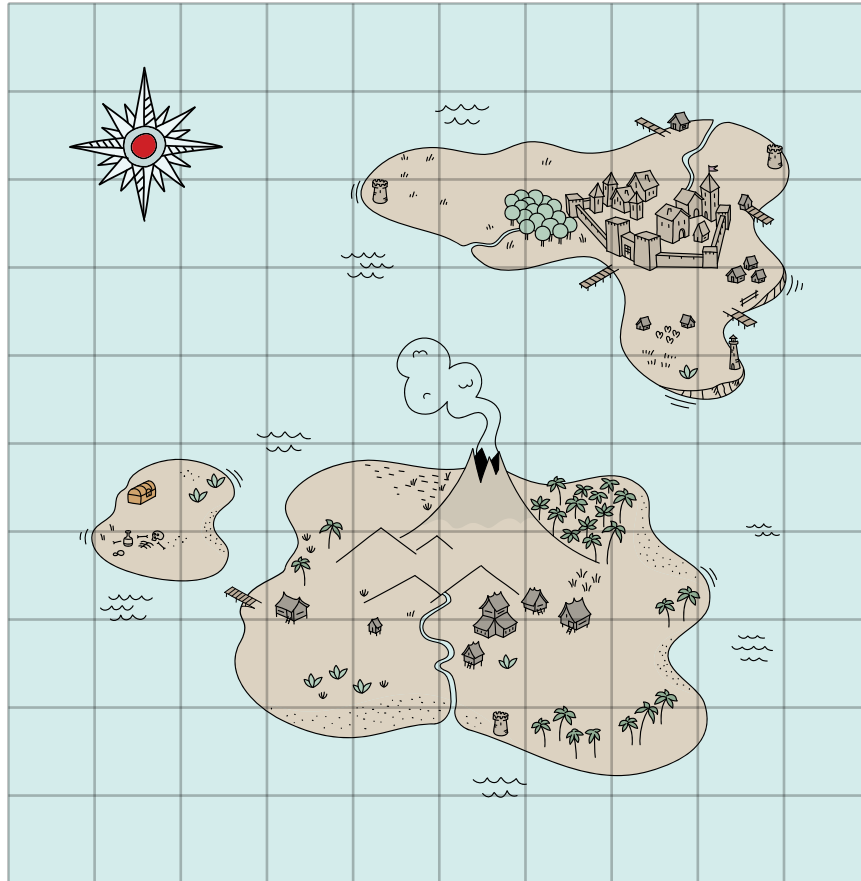

Scrambled stories

Task: rearrange the story into the correct order.

- What are the key parts of the story? (Beginning, middle, end.)
- Can you find clues that help you decide the correct order?
- Have you seen a similar story structure before?

Map it out!

Task: follow the instructions to find the treasure and record the route.

- What steps do you need to take to follow the route correctly?
- Do any directions repeat? How can that help you plan ahead?
- What would happen if you changed one step?

Sort it out!

Task: sort the items into categories.

- What different ways could you sort these items? For example, by size, shape, colour or type.
- Do you notice any patterns in how the objects are similar?
- How does breaking them into groups make organising easier?
