

calypso	Music originally from Trinidad in the Caribbean, often thought of as carnival music with catchy, syncopated rhythms.
griot	The leader of kaiso song.
kaiso	Music that tells stories, brought to Trinidad by West African enslaved people.
pentatonic	A scale with five pitches.
steel pans	Percussion instruments made out of oil drums divided into sections to give different notes.
syncopation	When the music moves 'off the beat'.

harmony	Two or more notes that sound good when played at the same time.
----------------	---

Note name	Symbol	Number of beats		Visual representation
